

3rd Euro-Argo User Meeting

Institut Océanographique, Paris
June 17-18, 2010

WELCOME !

Meeting objectives

CONTEXT:

- The third and final User workshop held under the auspices of the Euro-Argo preparatory phase project.
- In 2011, Euro-Argo will move from a project towards a long-term European research infrastructure. Role of the European Argo user community will be strengthened.

WORKSHOP OBJECTIVES:

- Review the wide range of applications of Argo data in Europe
- Identify future collaborative works
- Discuss requirements from the user community
- Share views on the long term organization and evolution of Euro-Argo including the interaction with its user community

Logistics

- Posters are displayed in the small amphitheater and exhibition rooms
- Poster viewing during coffee breaks and lunches
- Coffee breaks, lunches, cocktail reception are in the exhibition room
- An Euro-Argo movie is running on the screen in the small amphitheater
- DVD of the Euro-Argo movie is available in FR and in EN
